

Notice of
Photography & Filming

Saturday, November 16, 2019

Photographers or Videographers will be capturing images
of the *Spin4Kids* Event.

Funds raised through Spin4Kids help GoodLife Kids Foundation to support national, provincial and local programs that provide ongoing physical activity opportunities for kids, removing some of the barriers currently preventing children from living healthy active lives.

Members will not be captured in any footage without signing a participant waiver.

Thank you and enjoy your workout!
